ABOUT PK4

PreK4 is going to be a blast! We will play games to get to know each other, we will play in work stations to utilize and expand our imaginations, we will sing songs to help us learn, we will go on field trips to experience our city, and we will investigate topics that are important to us as a family of learners. We will use a variety of thinking routines to deepen our learning experiences, and we will document our progress to make thinking visible. We believe learning is a consequence of thinking. So let's have a thought provoking school year!

ABOUT MS. KONIG

Ms. Konig loves working as a teacher! She loves getting to know her students, playing with them, documenting their learning, helping them discover amazing topics of learning, and enjoying the wonder of elementary school with them. She trained to be a teacher at American University and the National Air and Space Museum, then assistant taught a PreK4 classroom for two years at Stanton ES, then became the PreK4 teacher at Ross ES. When Ms. Konig isn't teaching, she likes to relax at home with her cat named Charleston (pictured below).

EMBRACED & EMPOWERED
for who you are to be even more.

EVERY child is known.
teacher is invested.
family is valued.

HOME VISITS

To comfortably introduce PreK4 students to their teachers, we will schedule home visits! A home visit is an opportunity for the children to get to know their teachers outside of school. It will be a brief and informal 30 minute visit at your home, or local cafe if you prefer. Typically it is child led, so please allow your child to plan how he or she would like to lead the home visit. Please reach out if you have any questions about home visits.
