Course offerings are dependent on minimum enrollments. If a course is cancelled due to low enrollment, the course fee will be refunded. All courses are "first come, first serve" until enrollment maximums are reached. Participation in after-school enrichment programming is a privilege. Students are expected to follow all Ross School expectations for behavior. Students who are picked up late from enrichment classes a total of three times may lose the privilege to participate. The Ross PTA offers scholarship assistance to qualifying families (based on Free/Reduced Lunch) for one class each session. See Principal Searl if your family needs scholarship assistance.
