Observers

Our Team's Commitments

- ***Our vision*** for what a successful RCC would ***look, sound*** and ***feel*** like:
- active contributions from all members
- engagement
- members feel safe and confident
- members gain the trust of the RCC group and the school community
- decisions are grounded in equity
- operate as a unified team, RCC is the "face" of the work for the entire school community
- members are responsible for sharing communication and information with the community
- acknowledge uncertainty and what we can and cannot control

What are we solving for?

- Who will return to Ross?
- What are the best instructional models?
- Making decisions through an equity lens
